MEET JIM

HE'S OUR CUSTOMER ACCOUNTS MANAGER

I'VE BEEN WITH DYNAMIC EMS FOR 30+ YEARS, BUT I RECENTLY MOVED INTO THE ROLE OF 'CUSTOMER ACCOUNT MANAGER'. TRANSFERRING SKILLS AND BECOMING MULTIDISCIPLINED, IT IS IMPORTANT TO DYNAMIC EMS, WHO BELIEVE IN GROWING AND DEVELOPING THEIR TEAM MEMBERS.

The Dynamic team trust each other to achieve the business goals and understand that the tech world is forever changing. Dynamic EMS does not sit still, we are changing and evolving every day, for the better.

I'm now responsible for Dynamic EMS's strategic customer accounts. It's easy to see why Dynamic EMS has developed such strong and loyal relationships with its customers. As a company nothing is impossible. We go above and beyond the usual requirements of the traditional Contract Manufacturer.

And don't just take my word for it, watch our customer case studies [here...](#)
