MEET JOHN

HE'S OUR FINANCIAL DIRECTOR

JOHN IS OUR FINANCIAL GENIUS. HE KEEPS US ON TRACK AND AS HE'S AN INCREDIBLY DETAIL ORIENTATED PERSON, HE'S A BRILLIANT PERSON FOR OUR APPRENTICES TO SPEND TIME WITH IN ORDER TO GET TO KNOW THE BUSINESS FROM THE INSIDE OUT.

As a global business John takes care of all the challenging currency conversion issues, our Tax, financial reporting and regulations. Keeping our books smart and in order.

He makes light of what he does, but really, he's a sound and methodical Financial Director which is a huge skill within our Dynamic EMS organisation.

He enjoys the total autonomy that his role brings, but we just don't have the heart to tell him, that he's left alone as the rest of us don't want to look at sums.
