SHE'S OUR KEY ACCOUNT MANAGER

BY THE VERY NATURE OF OUR KEY ACCOUNT MANAGERS ROLE, PAULA IS A CURIOUS PERSON. SHE'S KEEN TO FIND OUT ABOUT YOU, YOUR COMPANY, YOUR VISION AND VALUES, TO UNDERSTAND THE ROLE THAT DYNAMIC EMS CAN PLAY TO MAKE YOUR LIFE EASIER.

She's a natural born listener and builds lasting relationships with people wherever she goes. She's just that friendly person that you meet that always has an ear to listen and the time to support.

Dynamic EMS wouldn't be the same without Paula, she's the rock of our Dynamic family.

When asked about her role and what she enjoys the most, she comments that it's the diversity in the products being manufactured from "cow bells for cow fertility" to electronics for "cube satellites", some already are in space! So, it really is out of this world!
