MEET PETE

HE'S OUR OPERATIONS DIRECTOR

I'M PETE AND I'M HERE TO HELP YOU WITH ANYTHING OPERATIONAL. I'M LUCKY TO HAVE BEEN PART OF THE DYNAMIC FAMILY FOR OVER 18 YEARS, AND I ESSENTIALLY RUN THE COMPANY'S MANUFACTURING, WHILST OTHERS RUN THE BUSINESS.

My sweet spot is being able to see customer electronic products going from design to development, through to distribution and I love building operational procedures from the bottom up.

The Dynamic team have a real 'can-do' attitude and roll up their sleeves to get the job done. This means they all know what it's like to walk in one another's shoes and understand the role that everyone plays in making Dynamic EMS dynamic!
