TRANSFORM.
FUTUREPROOF.

JOHN GILHOOLY
JAG TECHNOLOGY CONSULTING
FOUNDING CEO & PRINCIPAL

John is a global technology commercialisation specialist and senior executive with over 20 years of international experience across start-ups, SME and MNC enterprises, spanning HealthTech/MedTech, Semiconductors, Industrials, Renewables, CleanTech, and Infomatics. He has lived and worked in China, Taiwan, Hong Kong and Netherlands, and has further international business experience in the APAC, USA/NA, and EMEA markets.

John currently manages an array of interests including Founder and Principal at JAG Technology Consulting, acting CEO for EVO Software Solutions and Chair of Invereen Ventures. Since returning to Scotland, he is an active syndicate investor, member of the BioCity Expert Network Group, and active contributor to the Founder4Schools initiative across Scotland.
