

## EMS DYNAMICS

EVOLVE.  
TRANSFORM.  
FUTUREPROOF.

### STEVEN KIAKOWSKI

WASTESWITCH  
DIRECTOR

Steven has over 10 years' experience in the waste and environmental sector with the most recent five years being owner and director of WasteSwitch Ltd.

His passion combined with his informed understanding of the industry compliance and requirements has equipped him to create provide with a number of exciting avenues for his organisation and his belief that there were significant opportunities in the provision of supported training in Waste Management, Sustainability and the Circular Economy, has driven him to personally devise and oversee the development of a number of educational resources accredited by REHIS and the Scottish Credit Qualifications Framework.
